ter prepared to judge of, and decide their own ROBERT F. PAINE. We are willing to trust them. The immense his predecessors. numbers of Northern freemen who go there will carry with them the spirit and power of rational liberty. They will incorporate their principles into the government and laws of that country, and the cause of human rights will be better established then if it were left to the uncertain decision of Congress.

Banks vs. The People.

ed on Saturday in favor of the Banks.

In these cases, injunctions had previously been obtained to prevent the Treasurer the Treasurer had endeavored to obtain the vessel was sold to a British subject for a ville on a charge of robbing the mail. He raise the money, it is said, have already been truth! A. I shall not tell unless I am that the tax laws of 1851 and 1852 are un-constitutional, and that the Banks cannot be whole loss is about \$70,000. J. McLean for the Banks .- Statesman.

Whig Court has decided that Banks may be remains to be learned, immediate and am-It will be seen by the foregoing, that a exempted from the payment of their equal ple redress should be demanded. share of the burthens of taxation.

We have a high respect for the superior ability, extensive learning, and experience, ify of change their constitution and laws, or choice, our lots have been cast.

remain the unwilling subject of an unjust the mercies and favors of the past. law which they have no power to change.

Banks by their charters are taxed only upon their profits, while mechanics and farmers are required to pay taxes upon the whole amount of their property. Here is manifest injustice. The people of Ohio have long desired that the rule of tuxation in the State should be uniform and equal: We had hoped that the new constitution, and

The Bortage Sentinel, of the country are made the aubjects of a few privileged persons and the majority compelled to vield obedience to a selfish and tyranical minority.

Be Just but Fair.
